

a brief history...

The Pineapple Hotel is one of Queensland's great treasures. Established in 1864, only five years after Queensland became a state, The Pineapple Hotel is the fifth oldest pub in Queensland. Its name stems from the pineapple plantations that dotted the Kangaroo Point area in the mid 1900s. Its unique name and long and colourful history make 'The Piney' not only one of Queensland's oldest pubs but also one of its favourites.

The Pineapple Hotel has been family owned and operated by the Singleton Family for over 35 years and remains, to this day, a family friendly hotel with a great atmosphere and award winning dining.

The Singletons have been gradually restoring the hotel with Tasmanian oak wall panels, brass fittings and leadlight windows. Verandas, one of the original features of the hotel in the early 1990s, have been reinstalled on the exterior of the hotel to restore the sense of history.

The Pineapple Hotel, one of the few remaining family owned and operated pubs in Queensland, proudly continues under the care of the Singleton family, whose hope it is that the hotel remains in their family for generations to come.
